**Subject:** Access Form

Hi Angela,

Dennis Carney asked me to send you an access form like we used at Dimock to gain access for sampling at another site.

Here's a generic form. as you can see you can put any scope/purpose in it as you see fit. I have been using this format successfully for years for all kinds of access.

I don't have the electronic versions of the Dimock forms, but if you need them, just write back and Joanna McDonald can send them to you.

Good Luck

Rich
